INTERNATIONAL EXCHANGE  
ERASMUS STUDENT NETWORK

# ESN FLORENTIA

# JOIN US!!!

Come visit us at our office!!!

Our office is located in the heart of Florence, at the cultural association SUNFLOWER in Via dei Calzaiuoli, 7 on the 3rd floor.

Office hours are indicated on our web page.

**ESN** is the acronym of **Erasmus Student Network**, which is a non-Party, nonreligious and **no profit** association whose volunteers care about **students** who participate in an international exchange programme (academic or not) and, in general, about young people who want to spend a certain period of time in a foreign country.

ESN's projects can be divided into three levels: **international, national** and **local**; you can find an ESN section in almost each town whose University offers an International exchange programme. ESN Florentia's volunteers' main field of action is the local one, where we offer various activities:

- **Accommodation:** we manage a Facebook page where we put all the best offers we find about rooms in Florence's central areas or near the University faculties, so that students who don't know this wonderful town yet can find their accommodation more easily.
- **Incoming:** with this service, we want to give to any student who contacts us all the necessary information to enjoy its adventure in Florence at its best: from the University matters to the environment, from the life cost to the nightlife!!!

- **Language tandem:** it's a service that improves foreign students' linguistic fluency in a pleasant and non-scholastic way, through various methods:

1. **Tandem duo:** we give to foreign students the possibility of meeting an Italian student (one of our volunteers, a classmate or whatever) to make conversations speaking each other's language.
2. **Tandem group:** we offer some Italian classes to small students' groups, divided by their linguistic level, so that they can also find out something about Florence and Tuscany: typical elements of our culture and territory, idiomatic expressions, anecdotes, and anything more that they wouldn't learn at the University's Italian course.
3. **Aperitandem:** we often organize some meetings, in bars or pubs, where we invite both Italian and foreign students to know each other and share a pleasant and useful happy hour.. naturally, with the discounts that you can enjoy with your ESN Card!!!

- **Trips:** ESN Florentia has a special team that organizes various trips during the year, from the one-day trips to the nearest and more famous places (Siena, Pisa, Bologna, Perugia and so on) to the longer ones, when we visit other regions. You can come to the ESN's national events and meet thousands of foreign students from all Italian towns, you can visit the capital city Rome or a less known place such as Cinque Terre, you can see how wonderful spring is in a southern region such as Campania or discover the north during the Christmas street markets of Trento and Verona, you can enjoy Italian wine during our Wine tours, you can come skiing with us.. and much, much more!!!

- **Outgoing:** ESN Florentia also wants to support all Italian students who are going to or want to start a study or work experience in a foreign country, giving them all the information they need about that and also making them get in touch with the ESN section of the town they want to go to.

- **ESN CARD:** all of our students for students helping services are totally free for the possessors of our ESN Card; plus, we offer you various discounts in the places with which we have a convention (bars, restaurants, discos, barbershops, hairdressers, dentists...), just showing them your ESN Card! You can find more about all these discounts on [www.esnflorentia.it/](http://www.esnflorentia.it/) [www.esncard.org](http://www.esncard.org). Our ESN Card only costs **10€** and it includes some welcome gadgets.

## PROGETTI NAZIONALI

- Social Erasmus
- Welcome days
- Erasmus in school
- Exchange Ability
- Olympic National Erasmus
